I will sell at public auction the beautiful farm of Silas F. Maddux (better known as the old McDearmon Farm) LOCATION IN PUTNAM COUNTY and directly on the noted Walton Highway, twelve miles West of Cookeville and two and one half miles East from Gentry, where you have access to a number one High School. There is also a good primary school and a splendid church joining this farm. In fact this is an ideal location for a home and one of the

Most Fertile and Best Improved Farms

between Carthage and Cookeville; 75 acres now being in corn will easily harvest 40 to 50 bushels per acre, 200 acres in cultivation, the balance in good merchantable timber. This entire farm is extra well fenced and cross fenced and is one of the best watered farms in Putnam County. This farm is so peculiarly located it enables us to sell it in three tracts of about 100 acres each, and then as a whole, and each tract having improvements on them, besides fronting this beautiful highway; two-thirds of each tract being in cultivation and pasture, the remainder in good timber. What is called the home tract, has on it, one of the most beautiful and

Latest modern 9-room dwellings

you will find, together with good out-houses, such as servant's quarters, smoke house, poultry house, wash house, large, large barn, fine well, with a stream of fine water flowing night and day thrown into the yard by a hydraulic ram. Also a good home orchard.

YOUR OPPORTUNITY

This is an opportunity that comes to you but once in a lifetime. Mr. Maddux owes no man; poor health is the reason for selling. He is offering you a chance to buy yourself a home, by making you liberal terms with only a small cash payment.

TERMS: ONE-FOURTH CASH BALANCE 1, 2, 3, 4 years.
Possession given January 1, 1923.

I will have a big drawing contest, giving away many valuable presents to both ladies and gentlemen attending this sale. Old time Barbecue on the grounds.

Let everybody come and bring some one with you and let's make it a day of pleasure as well as a profitable one. To be shown this farm see Silas F. Maddux on the farm or
